

Advanced Smart Phone Usage Course for Adults Sessions

This course is for people aged 50+ who previously completed the course for Beginner Smart Phone Usage Course for Adults Sessions. The program is designed for 12 meetings.

	Lesson plan
1.	Introduction class. Meeting participants of the course, going over the course schedule, setting up the equipment. Refreshing the main course.
2.	Phone book - new and old contacts, SIM card editing - picture, sound setting; entering additional data - birthdays, other important anniversaries, e-mail, etc.
3.	Gallery - albums (folders), screenshots, screen recording, built-in editor - editing photos and videos (part 1).
4.	Processing (part 2) - add-ons, photography and editing (gluing, sound merging, effects).
5.	Memory - clear cache, update app, cloud storage, flash drives.
6.	YouTube - introduction into web hosting - your account, information search, MP3 player working correctly, viewing activity history, saving what you like.
7.	Calendar, notes, reminders, timer.
8.	Route maps, purchase of LuxExpress and Elron tickets, timetables.
9.	Other useful e-applications and apps.
10.	Face ID, biometrics - mobile banking.
11.	Mobile translator, radio, QR codes, phone voice assistant.
12.	Final lesson. Discussion of course results, feedback, certificates and gifts.
